I'm stan  
That's who i am  
He's in the band  
That's right  
'cause i'm stan

I wake up at 2:30 put my tv set on  
Pop tarts all right but i can't stand my mom  
Kevin dubrow what does he know  
I know some chords and shit i could play 'em

I'm stan  
That's who i am  
He's in the band  
Shut up  
I'm stan

That's all the words that i know  
That's all the words that i know  
All of the words he knows  
That's all the words i know  
'cause leonard he told me so

Dig this

That's all the words i know  
That's all the words that i know  
All of the words he knows  
That's all the words i know  
'cause leonard told me so  
He did?  
That's right

'cause i'm stan  
He's stan  
Don't you know who i am
