Laura

Dick Haymes

Words by Johnny Mercer and music by David Raskin.

Theme melody from the film "Laura."

Introduced by Johnny Johnston on radio.

Laura is the face in the misty lights.
Footsteps that you hear down the hall.
The love that floats on a summer night,
That you can never quite recall.
And you see Laura on a train that is passing through.
Those eyes how familiar they seem
She gave your very first kiss to you,
That was Laura but she's only a dream.
