A little bitty tear let me down spoiled my act as a clown
I had it made up not to make a frown but a little bitty
tear let me down

When you said you were leaving tomorrow that today
was our last day
I said there'd be no sorrow that I'd laugh when you
walked away
But a little bitty tear...
[ac.guitar]
I said I'd laugh when you left me full of funny as you
went out the door
That I'd have another one a waiting I'd wave goodbye
as you go
But a little bitty tear...
[ac.guitar]
Everything went like I planned it and I really put on
quite a show
In my heart I felt I could stand it till you walked with
your grip through the door
Then a little bitty tear...
A little bitty tear let me down a little bitty tear let me
down
