[Originally by Black Sabbath]

I'm finished with my woman
Cause she couldn't help me with my mind
People think i'm insane
Because i am frowning all the time

All day long i think of things
But nothing seems to satisfy
I think i will lose my mind
If i don't find something to qualify

Can you help me
Help me with my brain

And so as you hear these words
Telling you of my fate
I tell you to enjoy life
I wish i could but it's too late

Make a joke i will sigh
And you will laugh and i will cry
Happiness i cannot feel
And love to me is so unreal

I must be paranoid
