*[studio out take]*

His head is big and brown and flat  
He's about to rape a cat  
They call him squaggy doo  
He arches back and his dick ?  
He's just a big horny overgrown puppy  
Kwang chung

His mouth is black and his nuts are black  
There's an eight inch doodle stick  
Working it's way out of his back  
They call him sqauggy doo

Licking his bone  
He's in the kitchen all alone  
But he'd really like to be friends with you  
Squaggy dog squaggy doo my dog  
You make it look so easy  
You're butthole is so breezy - kill

You poor old sod it's only me

Remember when you you were down on your knees  
And the cats that cling onto your beard  
They were screaming in agony  
Hey when you dug the bone out the ground  
And the poor mailman came to ...  
And your landmines blew like ...
