Two different worlds
We live in two different worlds
For we've been told
That a love like ours
Could never be

So far apart
They say we're so far apart
And that we haven't the right
To change our destiny

[CHORUS]
When will they learn
That a heart doesn't draw life
Nothing matters if I am yours
And you are mine

[REFRAIN]
Two different worlds
We live in two different worlds
But we will show them
As we walk together in the sun
That our two different worlds
Are one

[Repeat CHORUS]

[Repeat REFRAIN]
