## Dick Haymes "Unconscious Power"

Visit "Unconscious Power" on MotoLyrics.com

We all want to prepare you
The unbelievable is going to happen
It will linger in your mind forever
Let this carry you wherever - wherever

Triggering the unconscious power

Removing all your inhibitions Releasing complete freedom of thought Sensations of every sense will prevail With this you will see every thing

Triggering the unconscious power

Triggering the unconscious power

I say to you Nothing for now Oh, now we know all We know all We know all We know all
