They say don't go on Wolverton Mountain if you're
looking for a wife
Cause Clifton Clovers has a pretty young daughter
He's mighty handy with a gun and a knife
Her tender lips are sweeter than honey and Wolverton
Mountain protects her there
The bears and the birds tell Clifton Clovers if a stranger
should inter there

All of my dreams are on Wolverton Mountain I want his
daughter for my wife
I'll take my chances and climb that mountain
Though Clifton Clovers he may take my life
Her tender lips..

I'm goin' go up on Wolverton Mountain it's too
lonesome down here below
It's just not right to hide his daughter from the one who
loves her so
Her tender lips...

I don't care about Clifton Clovers I'm gonna climb up on
his mountain
I'm gonna take the one I love I don't care about Clifron
Clovers
