Dark as the night and blue as the day  
I'm lonesome, my darling, since you went away  
Sometimes I wonder, what made you strangely  
Dark as the night and blue as the day

Blue as the sky, there is blues in my heart  
It's dark outside since we've been apart  
Oh, tell me, please, tell me, why you betrayed?  
Dark as the night, I'm blue as the day

Blue as the sky, there is blues in my heart  
It's dark outside since we've been apart  
Oh, tell me, please, tell me, why you betrayed?  
Dark as the night, I'm blue as the day
