Now some folks like the summertime when the they can
walk about
Strolling through the meadow green it's pleasant there
no doubt
But give me the wintertime when the snow is on the
ground
For I found her when the snow on the ground
I traced her little footprints in the snow
I found her little footprints in the snow
I bless that happy day when Nellie lost her way
For I found her when the snow was on the ground
I dropped in to see her there was a big round moon
Her mother said she just stepped out but would be
returning soon
I found her little footprints and I traced them in the
snow
I found her when the snow was on the ground
Now she's up in heaven she's with the angel band
I know I'm going to meet her in that promised land
But every time the snow falls it brings back memories
For I found her when the snow was on the ground
