There's a rabbit in the log and I ain't got my dog
How will I get him I know
I'll get me a briar and twist it in his hair
That way I'll get him I know
I know (yes I know)
I know (I surely know)
That's how I'll get him I know
I'll get me a briar and twist in his hair
That way I'll get him I know
I'll build me a fire and I'll cook that old hare
Roll him in the flames and make him brown
Have a feast here tonight while the moon is shining
bright
And find me a place to lie down
To lie down (to lie down)
To lay down (to lay down)
Find me a place to lie down
Have a feast here tonight while the moon is shining
bright
And find me a place to lie down
I'm going down the track and my coat ripped up my
back
Soles on my shoes are nearly gone
A little ways ahead there's an old farmer's shed
That's where I'll rest my weary bones
Weary bones (weary bones)
Lazy bones (lazy bones)
That's where I'll rest my weary bones
A little way's ahead there's an old farmer's shed
That's where I'll rest my weary bones
