### "I'll Meet You In The Morning"

I'll meet you in the morning by the bright riverside  
When all sorrow has drifted away  
I'll be standin' at the portals when the gates open wide  
At the close of life's long weary day  
I'll meet you in the morning with a how do you do  
And we'll sit down by the river and when all the rapture  
is renewed  
You'll know me in the morning by the smile that I wear  
When I meet you in the morning In the city that is built  
four square  
I will meet you in the morning in the sweet by and by  
And exchange the old cross for a crown  
There will be no disappointments and nobody shall die  
In that land when life's sun goeth down
