The longest train I ever saw  
Went down that Georgia line  
The engine passed at six o'clock  
And the cab passed by at nine  
In the pines, in the pines  
Where the sun never shines  
And we shiver when the cold wind blows  
I asked my captain for the time of day  
He said he threw his watch away  
A long steel rail and a short cross tie  
I'm on my way back home  
Little girl, little girl, what have I done  
That makes you treat me so  
You caused me to weep, you caused me to mourn  
You caused me to leave my home  
My father was an engineer  
Died a mile out of town  
His head was found in the driving gear  
But his body was never found
