Stay away from me, you're causing me trouble  
It's been that way, since from the start  
Go on your way, you have another waiting  
Stay away from me, you're breaking my heart  
Oh the sky is blue, and the sun is shining  
And Autumn leaves have turned to brown  
I loved you so, but I can't have you  
Stay away from me, stay out of town  
Stay away from me, I know what you're after  
It's best if we, stay far apart  
You brought me pain, no joy no laughter  
Stay away from me, you're breaking my heart
