I'm traveling down this lonesome road oh how I hate to
go
The wind and storms are raging high and it's awful
cold
My mind drifts back to you sweetheart and I love you so
Now you've gone and left me here to travel this
lonesome road
I remember dear not long ago you said you'd be my
own
I never thought you'd go away and leave me all alone
The kind of love you had for me I find sweetheart
grows cold
For now you've gone and left me here to travel this
lonesome road
All I do is roam around and look for you my dear
I know I'll search ten thousand miles oh how I need you
here
You broke my heart you left me here now I'm growing
old
Why did you go and leave me here to travel this
lonesome road
