I just don't know
I just don't care
I just don't see
Me anywhere

Well, I'm nowhere now
Since you and I ain't one

I just don't know
I just can't win
When you walked out
My blues walked in

Well, I'm nowhere now
Since you and I ain't one

Sunday might just
As well be Monday
Don't care if it's day or night
Cause ever since you left
Nothing's going right

I just don't know
I just don't know
So all alone
Can't shake this woe

Well, I'm nowhere now
Since you and I ain't one

Sunday might just
As well be Monday
Don't care if it's day or night
Cause ever since you left
Nothing's going right

I just don't know
I just don't know
So all alone
Can't shake this woe

Well, I'm nowhere now

Since you and I ain't one

You and I ain't one

You and I ain't one

You and I ain't one

You and I ain't one
