Last night my little girl came to my bedroom I heard
her whisper softly from the door
Daddy I can't sleep cause I miss mama does mama
miss me like she did before
I took her in my arms and then I told her darling your
mama misses you the same
But little girls and daddys cry with teardrops angels cry
with roses and with rain
Angels cry roses and rain angels don't know any pain
So darling when you hear your mama's name think of
angels roses and rain and rain
Angels roses and rain
[steel]
This morning she was playing in the kitchen then she
took her doll and went outside
I watched her as she walked among the roses I saw a
little sadness in her eyes
But then I heard a raindrop on the window and softly as
the cloud that moved above

My little girl picked up her doll and whispered that's the
way my mama sends her love
Angels cry roses and rain...
Angels cry roses and rain...
