IF LOVE GETS THERE BEFORE I DO  
WRITERS DICKEY LEE, KERRY CHATER  
RECORDED BY DON WILLIAMS

Another twenty miles and I'm halfway there,  
Another twenty miles and I'm running scared  
It's a beautiful night and I should be there  
I know you are tired of waiting  
And I know you are tired of hesitating  
If love gets there before I do,  
Darling don't you take it.  
If love gets there before I do,  
Darling don' t you do it, no don't you do it  
I know you're hearing line from those other guys

Trying to wear you down under starry sky  
But you know that I want you to just hold on  
I know you are tired of waiting  
And I know you are tired of hesitating  
If love gets there before I do,  
Darling don't you take it.  
If love gets there before I do,  
Darling don' t you do it, no don't you do it
