I'm stan
That's who i am
He's in the band
That's right
'cause i'm stan

I wake up at 2:30 put my tv set on
Pop tarts all right but i can't stand my mom
Kevin dubrow what does he know
I know some chords and shit i could play 'em

I'm stan
That's who i am
He's in the band
Shut up
I'm stan

That's all the words that i know
That's all the words that i know
All of the words he knows
That's all the words i know
'cause leonard he told me so

Dig this

That's all the words i know
That's all the words that i know
All of the words he knows
That's all the words i know
'cause leonard told me so
He did?
That's right

'cause i'm stan
He's stan
Don't you know who i am
