(She thinks I still care)

Just because I asked a friend about her just because I
spoke her name somewhere

Just because I rang her number by mistake today she
thinks I still care

Just because I haunt the same old places
Where the mem'ry of her lingers everywhere

Just because I'm not the happy guy I used to be she
thinks I still care

Well if she's happy thinking I still need her then let that
silly notion bring her cheer

But how could she ever be so foolish where would she
get such an idea

Just because I asked a friend about her just because I
spoke her name somewhere

Just because I saw her then went all to pieces she thinks
I still care

She thinks I still care
