Song sung blue everybody knows one song sung blue
every garden grows on
Me and you are subject to the blues now and then
But when you take the blues and make a song you sing
'em out again
You sing 'em out again
Song sung blue weeping like a willow song sung blue
sleeping on my pillow
Funny thing but you can sing it with a cry in your voice
And before you know it get the feeling good you simply
got no choice
[steel]
Me and you are subject to the blues now and then
But when you take the blues and make a song you sing
'em out again

Song sung blue weeping like a willow...
Song sung blue song sung blue song sung blue
