Hook:

Last night, I couldn't even get an answer
I tried to call, but my pride wouldn't let me dial
And Im sitting here, with this blank expression
And the way I feel, I wanna curl up like a child

Diddy:

I know you can hear me
I know you can feel me
I can't live without you
God please make me better
I wish I wasn't the way I am

Verse 1: Keyshia Cole

If I told you once, I told you twice
You can see it in my eyes
Im all cried out, with nothing to say
You're everything I want it to be
If you could only see, your heart belongs to me
I love you so much, Im yearning for your touch
Come and set me free, forever yours I'll be
Baby wont you come and take this pain away

Hook:

Last night
I couldn't even get an answer
(you said you couldn't get an answer baby)
I tried to call, but my pride wouldn't let me dial
(Why would you disturb me babe)
And I'm sitting here, with this blank expression
(i can't read your mind baby)
The way I feel, I wanna curl up like a child

Verse 2: Keyshia Cole

I need you, and you need me
This is so plain to see
And I will never let you go

And I will always love you so, I will
If you could only see
Your heart belongs to me
I love you so much
I'm yearning for your touch
Come and set me free
Forever yours I'll be
Baby won't you come and take this pain away

Last night
(Ooh last night)
I couldn't even get an answer
(Ooh baby what you wanna do to me)
I tried to call, but my pride wouldn't let me dial
(Why wouldn't you disturb me babe)
And I'm sitting here, with this blank expression
(don't say that baby, no no)
The way I feel, I wanna curl up like a child
(I'm so alone, I'm so lonely baby)

Hook:

Tell me what, there is to say
To make you come back, and break me like that

And if it matters
I'd rather stay home,
With you I'm never alone,
Don't wanna wait till you're gone
Don't ever leave me
Just don't leave me

Hook:

Last night, I couldn't even get an answer
(Couldn't get an answer baby Oooh)
I tried to call,
(Call me baby)
But my pride wouldn't let me dial
(Why couldn't you just dial me baby, baby, baby, baby,
baby, baby)
And I'm sitting here with this blank expression
(don't sit there, noo)
And the way I feel, I wanna curl up like a child
(I'm so alone, I'm so lonely baby)

Verse 3:

I need you, and you need me
This is so plain to see
And I will never let you go

And I will always love you so, I will
If you could only see
Your heart belongs to me
I love you so much
I'm yearning for your touch
Come and set me free
Forever yours I'll be
Baby wont you come and take my pain away
