I don't even know if I found redemption
Cause it's still is something whispering,
Trying to tell me something about you
I don't even know if I found redemption
Cause it's still is something whispering,
Trying to tell me something about you
Don't... don't
And getting my share to live
And getting a chance to leave
They tell me I need ya, I don't believe ya
Cause I don't nobody like you

Don't go, don't go, don't want to hate ya
Don't go, don't go, don't want to hate ya
Don't go, don't go, don't want to hate ya
Don't go, don't go, don't want to hate ya

Don't want to salute to the sky
I smoke my reef again high

You know without you I'ma die
You clipped my wings now I can't fly
Talk to,
I need you more than love I got, I need you more than I
could get
Baby, you're...
I give you all and... you took my love, you took my love
Didn't I tell you, forever we, somebody save us
And now... won't ask
Baby I gave you all that I got to, baby
This is no ordinary love, no ordinary love
This is no ordinary love, no ordinary love

I lost the new... boy
And I'm still riding, still looking more alive
Than... on the other side
I'm so alone, everything ignites
I'm so alone, all the days of my life
This is no ordinary love, no ordinary love
This is no ordinary love, no ordinary love.
