Pretty please with the sugar on top
Hey babe, won't you do the flop?
Bebop boy, see J, sea bring
Twenty thousand years in sing sing
I said my, my, my, my

Animal God with a cod piece
Still shot on the stormy seas
Be a man, wanna be a man
People got to eat in Pakistan
I said my, my, my, my

Please me, pretty please me
It's so easy, pretty please me
If it feels alright
Pretty please me rig-ig-ight
[Incomprehensible]

San san is the new age
The bam bam is the new rage
I've got a girl, a twitchin' girl
I keep her cool in a dream world
I said my, my my my

Please me, pretty please me
It's so easy, pretty please me
If it feels alright
Pretty please me rig-ig-ight
Ohh, I like that

Tick tock, goes the big clock
I take a time out till the whole world stops
Bang bang, goes the big gun
And tell me baby, I'm the only one
I said my, my, my, my

Please me, pretty please me
So easy, pretty please me
If it feels alright
Pretty please me rig-ig-ight
Pretty please me, ohh, yeah

Please me, please me, pretty please me
Please me, please me, pretty please me
Please me, please me, pretty please me
Please me, please me, pretty please me

Please me, please me, pretty please me
Please me, please me, pretty please me
Please me, please me, pretty please me
Please me, please me, pretty please me
