(CHORUS)

And the wheels go oom bala da da
Click clack click clack, oom bala da da
Oom ba la da da, every click clack
Brings me closer to you

Never know why I left you, baby
What ever did make me go
It's a nonstop dream
That's taking me back
But it's traveling much too slow

(CHORUS)

For every mile of railroad track
I'm saying a little prayer
Hoping that you'll be taking me back
Cause I only got a one way fare

(CHORUS)

Well, baby, I met a lot of gals
I even kissed a few
But I'd trade a train load
Full of those gals
For one sweet kiss from you

(CHORUS)

Baby, I'll kiss my blues goodbye
As soon as we kiss hello
And then I never want
To see a train again
Or hear a whistle blow

Or hear that oom bala da da
Click clack click clack, oom bala da da
Oom ba la da da, every click clack
Brings me closer to you

(CHORUS)

Oom bala da da
Click clack click clack, oom bala da da
Oom bala da da
Click clack click clack, oom bala da da
