Every time you told me  
That you loved me  
You were telling me another lie  
Don't come around no more  
And say you love me  
Just leave me alone and let me cry  
You were telling lies  
So you could kiss me  
When you had enough  
You said goodbye  
Don't come around no more  
And say you miss me  
Just leave me alone and let me cry  
There will come a day  
When you'll be lonely  
There will come a day  
You'll sit and sigh  
There will come a day  
You'll want me only  
But I'll leave you alone  
And let you cry

Leave you alone and let you cry

Leave you alone and let you cry
