Seek your revenge

Your never underestimated,
Everything I've took for granted
Has become my deadly sin

I am the creator your destroyer
Of thoughts you live by
Enslave your mind and
I'll comply

I'll gladly watch you die (x2)

I wanna hear you beg for your life
As I watch you die
The plague has consumed you

From your chest
To the ground (x2)

You think it's over
It's just your final stand
Torn apart, ripped to shreds
Your blood on my hands

As you call on god
Will he really save you

Will he really save you

Torn apart and ripped to shreds
Your blood on my hands

I have no remorse for you
I'll watch you die in vein
Limb from limb I'll take from you
Dissecting my way through your
Lifeless corpse

The anatomy intrigues me (x2)

Will he really save you

I wont let that happen
Will he really hear you
Words wont spread that fast

Oh!

The plague is rising, your withering away (x3)
