Sometimes I try to figure out just why  
Why you are the way you are  
You you make it so hard for me to love you

Hold up now, listen  
I ain't gonna try to sit here and say I'm perfect, you  
know  
I mean I'm tryin' to do the best I can  
With my time here on earth, you know

You know my mother  
Momma always said that Iâ€™d be somebody, you  
know  
So you know I figured I might as well be great, you  
know  
I mean it's hard to understand how I am  
And some shit you donâ€™t really need to be  
motherfucking understanding though  
I mean God put me here for a reason  
And I'm here to let these motherfuckers know

I've come, come to claim my place  
A lotta people donâ€™t understand  
They'll understand one day though

I just like to make people feel good man  
I really feel I can do anything  
I really truly believe in God that way  
So much that I believe in myself  
I guess I'm kinda like my father, you know

He had a relentless spirit, you know  
He would stop at nothing to achieve his goal  
You know nowadays a lot of these motherfuckers  
donâ€™t understand that  
They gonâ€™t have to handle it, yeah, feel me?

Come to claim my place  
I ain't gonâ€™t stop  
I ain't gonâ€™t never stop  
I thank yâ€™ all for riding with me  
I thank yâ€™ all for rocking with me through this

journey  
It's just begun  
And I want to take the time to say thank you

I truly appreciate you  
And I love you  
Ain't nothing else to say
