Sometimes I think about dyin
Yeahhh-haaa
Unfortunately, I'm seein a lot of death in my life
Oahhhoooooh
I seen a lot of friends die
I seen a lot of family members die
If, I, should, diiiiie tonight
When I think about dyin, I think about
Won't it be, alllll, before
my time?
a sense of release
Just released from all the pressures
I know dyin, sugar yeah
and all the negativity
cause, I know you
I also think about, finally, gettin a chance to see
all the loves ones again
If, I, should, diiiiie tonight
that left before me
That'll be kinda fly
Won't, it be, alllll, before
my ti-me
Walk through the gates, see my grandmother
See BIG, see God, heh
I know dyin, sugar yeah
Shit is crazy
Because I know you, know
youuuu
I never been afraid to die
If I should, diiiiie tonight
But I know I don't wanna die
Not just yet anyway
Won't it be, alllll before,
my time?
Feel like I got a lot more livin to do
I know dyin, sugar yeahhhhaeahhh
Lot of unfinished business
Cause I know, you, ohhhhh
Knowhatl'msayin?
If I, should die, tonight
ba-by

We'll see
Won't it be far before my
time?
I know dyin
What does it all mean?
Sugar yeah
Sugar yeah
What does it all mean?
Yeahhahahhhahhhhahhh
music fades
I don't wanna die...
