Anything you do, I do twice
What you do, I don't do like you
No one on the planet, nobody more famous
lavish or more savage
Who the fuck you think matters,
Number one Puff daddy ring leader of the Palace
Is Baaaaaaaaaaaaadddddddddddd Boyyyyyyyyyyy
Throw the B's in the air and scream oh yeah
Baaaaaaaaaaaaadddddddddddd Boyyyyyyyyyyy

And you can learn a lot by jacking jacking my style

Fresh from Argentinis, bitches in bikinis,

Maserati like copra Asti martini,
I'm the king of zamunda, mirror mirror who is on my
corner,
My shades too dark to see you loser's,
No one on my corner by law I'm the ruler,
Go back to your jeweler tell'em make you more cooler,
Am a rich dude, baby this is big dick rules,
I make dating R&B chicks cool,
And I aint got no cooth, I aint got no roof,
All I got is my word, so my swag is the truth,

No one on the corner got swagger like puff
Swagger like puff, swagger like puff

But, haha,
If I was you I would hold up for a minute,
I got some more shit to talk,

Check this out,

Diddy mother fucker am a bad boy billionaire
Hundred carat pinky in the air,
In the betters bit in the corner,
I just shift a little gear
Cops speed top free topless bitches everywhere,
I could drop a hundred mill like it really aint nothing,
I'm a forbes top hundred
You a forbes top nothing,
I got houses in Miami,
Mermaids up in them fishing tanks,
I've been spending hundreds since Ferrari square
bodies in them,
Everybody pay homage to that raisin in the sun,

I've been raising little sons since 98 no wait 91,
I'm you nigger's godfather,
Motherfuckers why bother,
When you flys I be on your clothes coming charter
On a G5 jerky looking like b five hundred,
Hotter than the sun, I be in Ibiza smoking weed
I'm higher than a mountain top,
Baby put your mouth on top (come on) little lolli pop
Suck it till your hymen pops,
Niggers wanna climb the charts, I'm already up there
Shit I did ten years ago is still up there
And I can't stop, all these motherfucking number ones,
I'mma retire at number one
Set fire to you number ones,
Baby where I'm coming from is nine hundred ninety
nine millis till I'm nine hundred ninety nine billi
Who can fuck with me?

(No one on the corner)
