I was a rover, on land and on sea  
'til a good woman's love made a new man of me  
Life had no meaning, it was so incomplete  
'til a good woman's love put me back on my feet

Still a-roamin' I go home in the evening and she's  
waiting there  
and I know that no matter what happens she'll always  
care  
and when night falls and the moon shines above  
I'm a man with a dream and a good woman's love

I was a rover, on land and on sea  
'til a good woman's love made a new man of me  
Life had no meaning, it was so incomplete  
'til a good woman's love put me back on my feet

'Stead a-roamin' I go home in the evening and she's  
waiting there  
and I know that no matter what happens she'll always  
care  
and when night falls and the moon shines above  
I'm a man with a dream and a good woman's love
