Did you ever wonder about the riddle  
What kind of spirit lives in a fiddle  
Well, it's old Satan, right there a waiting  
Or are you tuned with the angel band

Well, you back up and push  
Back up and push  
Back up and push  
Back off of sin and let Glory in  
You can't go wrong singing this song  
Back up and push away

Now back up and push.  
If you let the devil, play on your senses  
Prepare to suffer the consequences  
The foolish measure of the worldly pleasure  
Can only drag you to the roaring fire

Well, you back up and push  
Back up and push  
Back up and push  
Back off of sin and let Glory in  
You can't go wrong singing this song  
Back up and push away
