The days are long, the nights are lonely  
Since you left me all alone  
I worried so, my little darling  
I worried so, since you've been gone

Sweetheart of mine, can't you hear me calling?  
A million times that I love you best  
I mistreated you, darling, I'm sorry  
Come back to me, is my request

I'll never forget the night we parted  
A big mistake had caused it all  
If you come back, sunshine will follow  
If you stay away, it will be my fall

Sweetheart of mine, can't you hear me calling?  
A million times that I love you best  
I mistreated you, darling, I'm sorry  
Come back to me, is my request

Sweetheart of mine, can't you hear me calling?  
A million times that I love you best  
I mistreated you, darling, I'm sorry  
Come back to me, is my request
