Don't go so far away love, try to settle down  
For losing you would be more than I could bear  
Tho' I'm tied to another, I hope someday she'll set me  
free  
For I don't want a cheap love affair

I knew we loved each other the night that we first met  
It just happened there was nothing we could do  
Let me stay with my children 'til they can understand  
That I love them and they'll know I love you too

Don't go so far away love, try to settle down  
For losing you would be more than I could bear  
Tho' I'm tied to another, I hope someday she'll set me  
free  
For I don't want a cheap love affair

So darling please forgive me, don't give me all the  
blame  
Tho' I know that it doesn't seem so fair  
When I'm free I'll make you happy if you'll only wait for  
me  
But I don't want a cheap love affair

Don't go so far away love, try to settle down  
For losing you would be more than I could bear  
Tho' I'm tied to another, I hope someday she'll set me  
free  
For I don't want a cheap love affair
