"Give Me Wings"

I've been looking around
There's a whole new world i see
And so many things that i can do
With your strength in me

Now i ask you to hear
As i sing of brighter days
For i need to have you very near
Come and find the way#

* Give me the wings
Of an eagle
I will soar into the sky
Give me strength
to hold a brother's hand
As he's passing by
Give me the eyes
Of tomorrow
Let me see what i can find
If you lead me
I will follow now*
Give me wings to fly@
You've been watching me grow
As you gently lead me on
It's your love and power that i know
Guides and keeps me strong
(repeat# to @)

High above the clouds
I can see the beauty down below
And i know you're holding me
I'll never fly alone
Alone
(repeat * to *)
Give me to reach the sky
Moving up i'm rising high
Give me wings to fly
