I want to thank my Jesus for the way that I feel  
I'm so full of religion, I just can't be still  
I wanna sing it and shout it and let the people know  
That I'm saved by His mercy and I'm ready to go

That's why I'm happy, yes, I'm happy, happy on my way  
Rejoicing and singing His praises every day  
For Jesus is near me and there He will stay  
That's why I'm happy, yes, I'm happy, happy on my way

I just can't see why you sinners go on  
Livin' in sorrow, doin' so wrong  
Hidin' your face from the Savior above  
Denying yourself, oh, His wonderful love

That's why I'm happy, yes, I'm happy, happy on my way  
Rejoicing and singing His praises every day  
For Jesus is near me and there He will stay  
That's why I'm happy, yes, I'm happy, happy on my way

What a wonderful feeling just to know I am saved  
And my Savior will guide me 'til I enter the grave  
And then He will greet me at Heaven's open door  
And I'll live in glory with Him forever more

That's why I'm happy, yes, I'm happy, happy on my way  
Rejoicing and singing His praises every day  
For Jesus is near me and there He will stay  
That's why I'm happy, yes, I'm happy, happy on my way
