There's coming a time on the great judgment morning  
When the Savior will welcome you home  
Will you be prepared for the journey to Heaven  
On the great ship that carries God's chosen ones home

Oh the water's so deep on the river of Jordan  
And the light shines so bright from Heaven above  
And the midnight has passed a new day is dawning  
Oh the great ship will anchor in the 'Harbor of Love'

If you're wandering in sin away from God's teaching  
Won't you ask Him to show you the way  
Fall down on your knees in a chapel next Sunday  
And meet all your friends in Heaven some day

Oh the water's so deep on the river of Jordan  
And the light shines so bright from Heaven above  
And the midnight has passed a new day is dawning  
Oh the great ship will anchor in the 'Harbor of Love'

Oh the water's so deep on the river of Jordan  
And the light shines so bright from Heaven above  
And the midnight has passed a new day is dawning  
Oh the great ship will anchor in the 'Harbor of Love'
