The day's are so lonely the night are so long  
Our home is a prison since you are gone  
And I'll always wonder why our love didn't last  
With no hope for tomorrow I'll live in the past

A door that won't knock a phone that don't ring  
The postman goes by and he don't leave a thing  
A pain in my heart and tears in my eyes  
My sweetheart has gone I'm left here to cry

I'm the biggest pretender you ever could see  
I pretend you still love me false love couldn't be  
And then I remember and I know that its true  
For your with another and I know I've lost you

I'll just go on dreaming sweet dreams of the past  
Of when you still love me and I thought it would last  
But life is so short and time moves so fast  
I'll never forget you as I live in the past
