I once was lost in sin but Jesus took me in  
And then a little light from heaven filled my soul  
It bathed my heart in love and wrote my name above  
And just a little talk with Jesus made me whole

(Now let us)  
Have a little talk with Jesus  
(Let us)  
Tell him all about our troubles

(He will)  
Hear our faintest cry  
(He will)  
Answer by and by

Feel a little prayer wheel turning  
(And you'll)  
Know a little fire is burning  
(You will)  
Find a little talk with Jesus makes it right

Sometimes the path seems dreary without a ray of  
cheer  
And then the clouds about me hide the light of day  
The mists in me rise and hide the stormy skies  
And just a little talk with Jesus clears the way

(Now let us)  
Have a little talk with Jesus  
(Let us)  
Tell him all about our troubles

(He will)  
Hear our faintest cry  
(He will)

I may have doubts and fears, my eyes be filled with  
tears  
But Jesus is a friend who watches day and night  
I go to him in prayer, He knows my every care  
And just a little talk with Jesus makes it right

(Now let us)  
Have a little talk with Jesus  
(Let us)  
Tell him all about our troubles
