Let me rest at the end of my journey

I'm weary, tired, and old

Let me rest at the end of my journey

Heaven is my home and my goal

Old paint is tired, his feet are all sore

We'll ride the range no more

Let me rest at the end of my journey

Heaven is my home and my goal

A cowboy's life on the old Texas trail

Herding doggies is all that he knows

A cowboy's life on the old cattle trail

Leads from Texas to old Mexico
