To me she was a little Angel
Sent down to me from God above
It was on the day that I first met her
Then I told her of my love

It's mighty dark for me to travel
For my sweetheart she is gone
The road is rough and filled with gravel
But I must journey on and on

Many a night we strolled together
Talking of our love so fair
My love for her will never vanish
For I know I'll meet her there

It's mighty dark for me to travel
For my sweetheart she is gone
The road is rough and filled with gravel
But I must journey on and on

Traveling down this lonesome highway
Thinking of my love who's gone
Knowing soon we'll be together
She's the only love I've known

It's mighty dark for me to travel
For my sweetheart she is gone
The road is rough and filled with gravel
But I must journey on and on

It's mighty dark for me to travel
For my sweetheart she is gone
The road is rough and filled with gravel
But I must journey on and on
