Nobody loves me nobody cares  
If life is empty and full of tears  
I long for new love searched everywhere  
Nobody loves me nobody cares

Searchin' for true love has been in vain  
Through years my heart has suffered with pain  
Life's lonesome burden now I must bear  
Nobody loves me nobody cares

Nights on my pillow I dream of you  
Through space I gaze at the stars above  
They seem to whisper from way up there  
Nobody loves me nobody cares

A lonesome heart and a troubled mind  
In this old world now is all I find  
I look to heaven for I know there  
Someone will love me someone will care
