For your poison love has stained the life blood in my  
heart and soul dear  
And I know my life will never be the same  
For my pleading has all been in vain for you and you  
alone dear  
And you know that you are guilty of the same

Into each life a love is born for one and one alone dear  
The love I chose was surely not for me  
For your poison love has stained the life blood in my  
heart and soul dear  
And I know our love was never meant to be

For your poison love has stained the life blood in my  
heart and soul dear  
And I know my life will never be the same  
For my pleading has all been in vain for you and you  
alone dear  
And you know that you are guilty of the same

But still my heart cries out for you and you alone my  
darling  
It makes me never ever let you go  
But my pleading has all been in vain for your and you  
alone dear  
And my better judgment tells me to say no

For your poison love has stained the life blood in my  
heart and soul dear  
And I know my life will never be the same  
For my pleading has all been in vain for you and you  
alone dear  
And you know that you are guilty of the same
