Stay away from me, you're causing me trouble  
It's been that way, since from the start  
Go on your way, you have another waiting  
Stay away from me, you're breaking my heart

Oh the sky is blue, and the sun is shinning  
And autumn leaves have turned to brown  
I loved you so, but I can't have you  
Stay away from me, stay out of town

Oh the sky is blue, and the sun is shinning  
And autumn leaves have turned to brown  
I loved you so, but I can't have you  
Stay away from me, stay out of town  
Stay away from me, stay out of town
