Summertime is past and gone
And I'm on my way back home
To see the only one I ever loved
Now the room is shining bright
It lights my pathway tonight
Back to the only one I ever loved

Oh I know she waits for me
Back in ol' Tennessee
She was sent to me from God above
Now the moon is shining bright
It lights my pathway tonight
Back to the only one I ever loved

Oh I know she waits for me
Back in ol' Tennessee
She was sent to me from God above
Now the moon is shining bright
It lights my pathway tonight
Back to the only one I ever loved
