I'm traveling down this lonesome road oh how I hate to  
go  
The wind and storms are raging high and it's awful  
cold  
My mind drifts back to you sweetheart and I love you so  
Now you've gone and left me here to travel this  
lonesome road

I remember dear not long ago you said you'd be my  
own  
I never thought you'd go away and leave me all alone  
The kind of love you had for me I find sweetheart  
grows cold  
For now you've gone and left me here to travel this  
lonesome road

All I do is roam around and look for you my dear  
I know I'll search ten thousand miles oh how I need you  
here  
You broke my heart you left me here now I'm growing  
old  
Why did you go and leave me here to travel this  
lonesome road
