You don't love me anymore, my darling

I'm just a used to be to you

Those cold, cold kisses that you gave me, little darling

Proved just to me, you found somebody new

Tomorrow be another lonesome day

And I know you'll want me far away

You don't love me anymore, my darling

I'm just a used to be to you

Tomorrow be another lonesome day

And I know you'll want me far away

You don't love me anymore, my darling

I'm just a used to be to you
