Now will you love me, little darling  
When I'm in some other land?  
And you know, I can't be with you  
Or will you be loving another man?

Will you be loving another man?  
Will you be loving another man?  
When I return will you be waiting  
Or will you be loving another man?

Now don't be crying on my shoulder  
And telling me that love is grand  
And before I'm out of sight, dear  
Then be loving another man

Will you be loving another man?  
Will you be loving another man?  
When I return will you be waiting  
Or will you be loving another man?

Now if I find this to be true, dear  
I want you to please understand  
When I return, don't say you're sorry  
Just keep on loving another man

Will you be loving another man?  
Will you be loving another man?  
When I return will you be waiting  
Or will you be loving another man?

Will you be loving another man?  
Will you be loving another man?  
When I return will you be waiting  
Or will you be loving another man?
