ATL, Georgia to New York City  
Kings have arrived, fuck with me now

Let's rock, let's rock, don't stop, let's rock  
Let's rock, let's rock, don't stop, let's rock  
Let's rock, let's rock, don't stop, let's rock  
Let's rock, let's rock, don't stop, let's rock

Hey, forever I'm on the grind  
My mind is already made up  
Sippin' the finest wine  
It's private jets to Jamaica

Everyday that I wake up  
I look up at Christ and thank Him  
Therefore He lifteths me up  
So I don't see no haters

Well, let me get this shit in order, I got somethin' for  
you  
You ever seen a black man walk on water?  
Nigga, talk shit and I'ma try to ignore ya  
Get disrespectful, I'ma have to come for ya

But keep it gangsta wit me, now don't go get ya lawyer  
'Coz my combo quick and they comin' like De La Hoya  
Watch ya ass in the streets 'coz they will come for ya  
Chairman on the board, won't accept nothin' shorter

Don't you wanna move?  
Don't this make you wanna groove?  
Let the feelin' get to you  
And let us get you high on music, on music  
Come enjoy the fride

Don't you wanna move?  
Don't this make you wanna groove?  
Let the feelin' get to you  
And let us get you high on music, on music  
Come enjoy the ride

Need I remind y'all I started from the bottom

But I'm destined for the top  
And I ain't stoppin' 'til I got 'em  
Call me clumsy for the weight  
I'm droppin' records but they break  
And still standin' like the fuse on my cannon  
Blowin' weight, kid

Top shelf, you gotta reach high to be the best  
I'm like Hennessey and coke, XO and nothin' less  
I'm the nigga, the B I G, I know you know the rest  
Suppose I was to told ya no, I ain't gon' rest

I'ma bang on and make this music that we sang on  
A skunk pussy nigga always got my stank on  
Hang on, you wasn't shit before we came on  
You know you lame, homes, you do the same song  
Over and over again, you buy the game, homes

Nigga, you don't want none  
Zero, ziltch, nada, [Incomprehensible]  
That shut this through the [Incomprehensible]  
Now blow out ya candles, you do or ya don't, son

Don't you wanna move?  
Don't this make you wanna groove?  
Let the feelin' get to you  
And let us get you high on music, on music  
Come enjoy the ride

Don't you wanna move?  
Don't this make you wanna groove?  
Let the feelin' get to you  
And let us get you high on music, on music  
Come enjoy the ride

Need I remind y'all I started from the bottom  
But I'm destined for the top  
And I ain't stoppin' 'til I got 'em  
Call me clumsy for the weight  
I'm droppin' records but they break  
And still standin' like the fuse on my cannon  
Blowin' weight, kid

Here we go back again, makin' the beat go  
Bump, bump, bump, bump, bump, bump up in ya back  
so hard  
Why do niggas act so hard?  
I don't give a damn about a broad

I ain't gotta floss in the fast lane  
Ride right past lames, I'm in the ATL, flyin' down

cascade  
Still gettin' money, ain't nothin' changed, man  
Spent a couple mil' just to make my chain blang

Nigga, you don't want none  
Zero, ziltch, nada, [Incomprehensible]  
That shut this through the [Incomprehensible]  
Now blow out ya candles, you do or ya don't, son

Don't you wanna move?  
Don't this make you wanna groove?  
Let the feelin' get to you  
And let us get you high on music, on music  
Come enjoy the ride

I feel high on the music  
I feel I might lose it  
It's talkin' through the melody  
I can hear it tellin' me to move

I feel high on the music  
I feel I might lose it  
It's talkin' through the melody  
I can hear it tellin' me to move

Are you ready to press play?  
Are you ready to press play?  
Nah, they ain't ready  
They don't believe me yet, baby  
Y'all don't believe me yet?
