"A Clear Day"

On St. Swithun4s day it was a clear day
And then it rained for forty days and forty nights
I went my way, you went your way
But we4ll meet together in the night
As real as two dreamers in the night

As your bridges burn
And as the seasons turn
As the bridges burn
St. Swithun4s lantern still shine bright

It was a clear day on St. Swithun4s day
Then it rained for forty days and forty nights
But when a brother wronged is just another song
You4ll find you4ve gotta do the thing that4s right
Yes you4re finally gonna do the thing that4s right

As your bridges burn
And the seasons turn
As your bridges burn
St. Swithun4s still shinin4 bright
